Skin and Hair

Starting January 2021!

Technique Stamp Set

Starting in January, we will be embarking on a five month series where we will learn to color people. Each month in your class kit you will receive a different stamp. We will practice/focus on a technique with your “technique” stamp set, and then apply it to an actual image.

The format of this class will be a little different in that we may/may not finish an image per class, and over the months, we may go back and forth between images. But by the end of May we will have finished all the images and you will have learned skin tones, straight hair, curly hair, wavy hair, pleats, texturizing jeans and more.

Don't worry if you miss a class, each one will be recorded so you can watch at your convenience. Come join us as we color these super cute images from La-La Land Crafts.
